# Milestone

## 2020

In 2020, Enron Finance significantly broadened its international footprint by entering the European and U.S. markets.

This strategic move allowed us to tap into new opportunities and serve a wider client base, positioning us as a global player in the digital asset management space. Our expansion efforts included establishing local offices and building a robust network of industry contacts to enhance our service offerings and market presence.

## 2021

The year 2021 saw Enron Finance forge a pivotal strategic alliance with leading blockchain technology providers.

This partnership was instrumental in advancing our technological capabilities and integrating cutting-edge solutions into our investment platform. By leveraging the expertise of our partners, we enhanced our service offerings, enabling us to deliver more innovative and effective investment strategies to our clients.

## 2022

Enron Finance was honored in 2022 with the 'Best Digital Asset Management Firm' award by Industry Magazine. This accolade reflects our commitment to excellence and innovation in the digital asset management sector.

The recognition highlights our successful implementation of advanced investment solutions and our leadership in driving the evolution of cryptocurrency investments. This award underscores our dedication to providing top-tier services and our continued growth and impact in the industry.
